This list is not exhaustive, and the fees given are estimated as management companies are not regulated in relation to the fees they can charge. Please note that other disbursements may apply depending on the term of the lease. We will update you on the specific fees upon receipt and review of the lease from the seller's solicitors.

An example of the fees that you might be charged, however these are difficult to estimate due to the disparity in fees charged by different management company/managing agent/freeholder:

- Management Pack: £380 (this fee differs depending on the management company/managing agent/freeholder)
- Notice of Transfer fees - This fee is chargeable for transferring the property into your name with the management company/freeholder: £180 (estimated)
- Notice of Charge fees - (if the property is to be mortgaged): £180 (estimated)
- Certificate of Compliance fee: £180 (estimated)
- Membership Fee: £180 (estimated)
- Share certificate fee: £180 (estimated)
- Deed of Covenant fee – This fee is provided by the management company for the property: £180 (estimate)

These fees vary from property to property and can on occasion be significantly more than the ranges given above. We can give you an accurate figure once we have sight of your specific documents.

Our fees assume that this is a standard transaction and that:

- no unforeseen matters arise including, for example (but not limited to), a defect in title which requires remedying prior to completion or the preparation of additional documents ancillary to the main transaction
- this is the assignment of an existing lease and is not the grant of a new lease

- the transaction is concluded in a timely manner and no unforeseen complication arise
- all parties to the transaction are co-operative and there is no unreasonable delay from third parties providing documentation
- no indemnity policies are required. Additional disbursements may apply if indemnity policies are required.

Stamp Duty Land Tax or Land Transaction Tax (on purchase):

This depends on the purchase price of your property. You can calculate the amount you will need to pay by using HMRC's website or if the property is located in Wales by using the Welsh Revenue Authority's website.

HMRC (for property in England): <https://www.tax.service.gov.uk/calculate-stamp-duty-land-tax/#/intro>

WRA (for property in Wales): <https://littcalculator.wra.gov.wales/>

Above are links to calculators which will allow you to calculate the tax payable for your purchase transaction (This will give clients a clear understanding of the total cost of the transaction and so the full funds the client will need to complete it.)

How long will my house purchase take?

How long it will take from your offer being accepted until you can move into your house will depend on a number of factors. The average process takes between 12-15 weeks.

It can be quicker or slower, depending on the parties in the chain. For example, if you are a first-time buyer, purchasing a property with a mortgage in principle, it could take 12-15 weeks. However, if you are buying a leasehold property that requires an extension of the lease, this can take significantly longer, between 18-36 weeks. In such a situation additional charges would apply.
